Board Certified Orthopaedic Surgery

Insurance and Financial Policy

Our commitment is to provide compassion and excellence at every patient encounter.

We work hard to ensure all procedures are covered by your insurance.

We accept most insurances including, Medicare, Medicare replacement plans, and most commercial insurance plans, Medicaid and Workmans Comp. If you have questions about your particular insurance company please call our office. The billing team is available Monday-Friday 9:00am – 5:00pm to help with any questions or concerns regarding your billing statements or claims questions. Call today at 812-944-0765

Insurance information is obtained at your first visit and you are responsible for letting our staff know about any insurance changes that may occur during your treatment with us.

We do offer a cash pay option. Visa, Discover, and Mastercard are all accepted. Any copays, co-insurances, or deductibles will be due at the time of your service.

Most insurance companies respond within four to six weeks after receiving your claim.

Any remaining balance after your insurance has paid is due.
